Pete Brown holds a unique place in golf history, historical events that only he created. He is to be commemorated along with other well-known and highly recognized golf greats such as Charlie Sifford and Lee Elder. A full generation ago, Pete Brown was the first black player to win on the PGA Tour the Waco Turner Open in Burneyville, OK in 1964. He later won in San Diego Open in 1970, his victory was televised. He beat Tony Jacklin in a playoff and Jack Nicklaus was third. Pete Brown was born in Port Gibson, MS and grew up in Jackson, MS. He started in golf as a caddy at the Sonny Guy Municipal Course (renamed Pete Brown Golf Facility) in his hometown.

Dear Friends:

The Grove Park Junior Golf Clinic is a non-profit organization working to improve the quality of life for young boys and girls between the ages of 7 and 17 through golf. For more than thirty-five years, we have endeavored to provide Jackson area youth the opportunity to build upon their core values, character traits, a sense of responsibility, and commitment to excellence.

The Grove Park Junior Golf Clinic Organization envisions planting seeds to produce future golfers of America. Our summer program enables us to train from 40 to 70 new and returning Jackson youth for six weeks during the months of June and July. Currently, our program is totally dependent on volunteer instructors who are amateur golfers with a wide range of experience and a passion for the game of golf. We are seeking to enlarge our vision by:

1. Providing age appropriate golf equipment for participants;
2. Providing healthy snacks and lunch for participants;
3. Offering financial support (stipends) to clinicians;
4. Announcing and awarding scholarships to participant in each school;
5. Developing criteria for scholarships and awards;
6. Establishing a salaried staff to execute a summer program; and
7. Providing incentives for competition to demonstrate growth and development.

As we look to serve more youth, we are asking for your financial support. Keep in mind that this is a non-profit, which is tax deductible. Our Jackson area youth need your support!

If you have questions, need clarification or additional information, please contact Claude McCants at 601-850-9938 or visit our website at groveparkjrgolf.org.

Thanking you in advance for your support,

Claude E. McCants, Director
