

Capability Statement

Murphy's construction 6 is a Minority-owned small business, DBE certified, HUBzone certified company that's registered with SAM.gov. Established in 2021 Murphy's construction 6 is a new company with a lot of drive and experience in the construction industry applying our services to the local, state and federal government as well as residential, commercial and industrial construction projects. Services like remodeling, landscaping/lawn-care services, concrete services, janitorial/custodial services and more. Here at Murphy's construction 6 "Let's Build Together!" is our motto because we ask our clients "what can we do to help you build your business" so in turn we build together. It doesn't stop there with Murphy's construction 6. Our company takes pride in going out into the community and providing help to those in need, from work to low to no cost home repairs and disaster response help and services we're there for you!
