**PARAMOUNT+ RENEWS HIT ORIGINAL
SERIES “EVIL” FOR A THIRD SEASON**

**The First Three Episodes of Season Two of “EVIL” Are Currently Available
to Stream on Paramount +; New Episodes Drop Weekly on Sundays**

Paramount+, the streaming service from ViacomCBS, today announced that its hit original series, EVIL, was renewed for a third season. The first three episodes of season two of EVIL are currently available to stream on Paramount+. This season is already one of the service's top acquisition drivers, with viewership growing week over week compared to the first season. New episodes of the 13-episode long second season drop weekly on Sundays, exclusively for Paramount+ subscribers.

EVIL is a psychological mystery that examines the origins of evil along the dividing line between science and religion. The series focuses on a skeptical female psychologist who joins a priest-in-training and a contractor as they investigate the church's backlog of unexplained mysteries, including supposed miracles, demonic possessions and hauntings. Their job is to assess if there is a logical explanation or if something truly supernatural is at work.

The second season brings evil closer to home. Kristen struggles with her darker nature, while David suffers temptation as he gets closer to his ordination. Meanwhile, Ben is visited by night terrors that prey on his greatest fears.

EVIL stars Katja Herbers, Mike Colter, Aasif Mandvi, Michael Emerson, Christine Lahti, Kurt Fuller, Brooklyn Shuck, Skylar Gray, Maddy Crocco and Dalya Knapp. EVIL is produced by CBS Studios in association with King Size Productions. Robert King, Michelle King, Liz Glotzer, Rockne S. O'Bannon and Nelson McCormick serve as executive producers. The series is distributed worldwide by ViacomCBS Global Distribution Group.

About Paramount+

Paramount+, a direct-to-consumer digital subscription video on-demand and live streaming service from ViacomCBS, combines live sports, breaking news, and a mountain of entertainment. The premium streaming service features an expansive library of original series, hit shows and popular movies across every genre from world-renowned brands and production studios, including BET, CBS, Comedy Central, MTV, Nickelodeon, Paramount Pictures and the Smithsonian Channel. The service is also the streaming home to unmatched sports programming, including every CBS Sports event, from golf to football to basketball and more, plus exclusive streaming rights for major sports properties, including some of the world's biggest and most popular soccer leagues. Paramount+ also enables subscribers to stream local CBS stations live across the U.S. in addition to the ability to stream ViacomCBS Streaming's other live channels: CBSN for 24/7 news, CBS Sports HQ for sports news and analysis, and ET Live for entertainment coverage.
