

**NEW SEASONS OF CBS DRAMAS “EVIL” AND “SEAL TEAM”
COMING EXCLUSIVELY TO PARAMOUNT+**

Both Series Are Produced by CBS Studios

May 18, 2021 — Paramount+, the streaming service from ViacomCBS, today announced that the new seasons of CBS dramas EVIL and SEAL TEAM will be available exclusively on Paramount+. The move to Paramount+ from the CBS Television Network follows the series’ success on Paramount+, with SEAL TEAM ranking among the most-watched CBS dramas on the service this season, and EVIL ranking similarly as one of the most-watched during its debut season last year.

“Our Studio and Network have a strong track record of developing high-quality dramas that have multiplatform success, and these series speak to that strength,” said George Cheeks, President & CEO of the CBS Entertainment Group. “These moves mark another example of how our linear and streaming ecosystem can strategically work together to maximize value for the content and benefit the series and its creators.”

“We are thrilled to bring new seasons of these phenomenal series to Paramount+,” said Julie McNamara, Executive Vice President and Head of Programming, Paramount+. “We have a strong record of building incredible audiences with these creative teams, including Robert and Michelle King’s incomparable THE GOOD FIGHT, and look forward to bringing our subscribers even more seasons of series they love.”

EVIL

EVIL is a psychological mystery that examines the origins of evil along the dividing line between science and religion. The series focuses on a skeptical female psychologist who joins a priest-in-training and a contractor as they investigate the Church's backlog of unexplained mysteries, including supposed miracles, demonic possessions and hauntings. Their job is to assess if there is a logical explanation or if something truly supernatural is at work.

EVIL stars Katja Herbers, Mike Colter, Aasif Mandvi, Michael Emerson, Christine Lahti, Kurt Fuller, Brooklyn Shuck, Skylar Gray, Maddy Crocco and Dalya Knapp. EVIL is produced by CBS Studios in association with King Size Productions. SEAL TEAM

SEAL TEAM is a military drama that follows the professional and personal lives of the most elite unit of Navy SEALs as they train, plan and execute the most dangerous, high-stakes missions our country can ask of them. Jason Hayes is the respected, intense leader of the Tier One team whose home life has suffered as a result of his extensive warrior's existence. His team includes his trusted confidant, Ray Perry, the longest-tenured operator with whom Jason shares an ingrained shorthand; Sonny Quinn, an exceptional, loyal soldier with a checkered past who still combats self-destructive tendencies; and Clay Spenser, a young, multilingual, second-generation SEAL with insatiable drive and dedication. Vital to the team's success is Ensign Lisa Davis, a no-nonsense, take-charge officer. Deployed on clandestine missions worldwide at a moment's notice—and knowing the toll it takes on them and their families—this tight-knit SEAL team displays unwavering patriotism and fearless dedication even in the face of overwhelming odds.

SEAL TEAM stars David Boreanaz, Max Thieriot, Neil Brown Jr., AJ Buckley and Toni Trucks. The series is produced by CBS Studios. Spencer Hudnut, Christopher Chulack, Sarah Timberman, Carl Beverly and David Boreanaz serve as executive producers.
