May 19, 2022 – Paramount+ today revealed the official trailer and key art for season three of its original hit series EVIL. The show *Entertainment Weekly* calls “a revelation,” and *Vanity Fair* says is “riveting television,” is back with a 10-episode season premiering exclusively on Paramount+ on Sunday, June 12. EVIL is a psychological mystery that examines the origins of evil along the dividing line between science and religion. Season three of EVIL begins moments after the end of season two: when a newly ordained David and Kristen kiss. The two not only have to navigate this fraught new reality, but contend with David’s involvement with “the entity,” an espionage unit within the Catholic church. Meanwhile, Ben finds his brain breaking from their unsolved cases and turns to his sister for help.

EVIL stars Katja Herbers, Mike Colter, Aasif Mandvi, Michael Emerson, Christine Lahti, Kurt Fuller, Andrea Martin, Brooklyn Shuck, Skylar Gray, Maddy Crocco and Dalya Knapp.

EVIL is produced by CBS Studios in association with King Size Productions. Robert King, Michelle King, Liz Glotzer, Rockne S. O’Bannon and Nelson McCormick serve as executive producers. The series is distributed internationally by Paramount Global Content Distribution.
