PEACE

I come in the name of **BORN ALMIGHTY ALLAH** ! **BORN** means to be **COMPLETE**, it is also the state of being brought into existence by way of the mind or body. **ALMIGHTY** means to have absolute power, **Al** as in **ALL** and **MIGHTY** as in power, or strength. In this culture we say Power is the **TRUTH**, and the **TRUTH IS ABSOLUTE**. That means **PURE** without flaw or blemish. **ALLAH** is the Supreme of **ALL** beings, the Blackman with proper knowledge of himself. He who has the highest form of Good Orderly Direction. I want to give a special salutation's to all the babies apart of this 5% Nation ! Y'all are the very reason I created this piece of work. You know the motto "**THE BABIES ARE THE GREATEST**". So without further do I fast and build that you enjoy this coloring book, and gain inspiration and creativity to unlock new heights in your great minds. The first degree states, "The Original Man is the Asiatic Blackman , the maker , the owner, cream of the planet Earth, Father of civilization and God of the Universe". May this book inspire you to be a maker and produce your own work of art, and be successful in whatever it is that you love to do. You can do anything once you put your mind to it. Remember Supreme Mathematics are the keys to the **UNIVERSE** ! All you have to do is apply yourself correctly and you will see all that you strive for begin to come into fruition in no limits of time. Never stop challenging yourselves , and never give up when faced with challenges. We are the best problem solvers . Barriers are meant to show us that we truly are the supreme navigators of our reality. When one door closes you open the next one ! **NEVER FORGET THAT** . I want to dedicate this book to every child on this part of the planet Earth. I also want to dedicate this book especially to my very own seed, **BORN SELF ALLAH**. You truly are my greatest reward . Everyday you inspire me to be a better Father. My main man 100 grand, you taught me what Fatherhood is truly about and I am most grateful for this experience. I made this for you Sun. When I sat back and reflected on how important this culture is to the growth and development of you and your peers. I realized it's not too many books that teach our form of education. So I created something that you can all love and enjoy. A body of work that is rooted in our Culture which is **SUPREME MATHEMATICS. PEACE !!!**

THE TAINOS

FUN FACT :

The Tainos Were the Original People HERE, Who Christopher Columbus came in contact with when he landed on these shores . They were here first. They lived a very natural way of life and had an advanced Culture. The Tainos are apart of the Arawak Tribe which includes many great nations that you may know today such as : Cuba, El Salvador, Jamaica and many more. They are all original people also known as the 2 million Indian.

BUILT PYRAMIDS.

GREAT PYRAMIDS

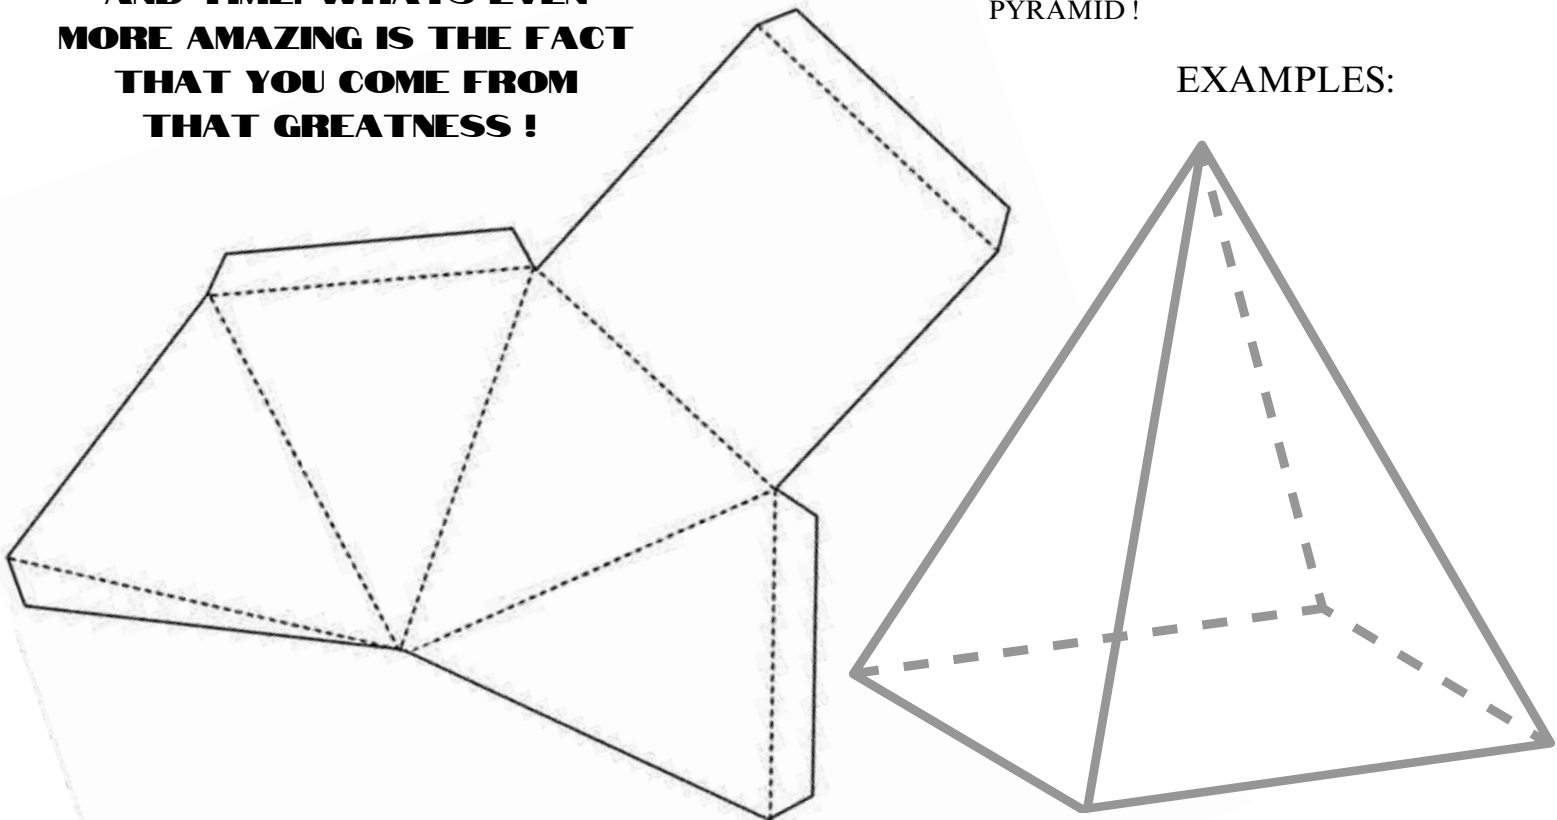

FUN FACT :

OUR ANCESTORS BUILT EVERY SINGLE PYRAMID THAT ARE FOUND ALL OVER THE PLANET, SUCH AS EGYPT, MEXICO, PERU , NORTH AMERICA, CHINA , IRAN, INDONESIA, SUDAN, CAMBODIA , IRAQ. THEY WERE ALL CONSTRUCTED BY ORIGINAL PEOPLE. IN FACT THE ORIGINAL PEOPLE OF THOSE TIMES USED ADVANCED METHODS OF MATHEMATICS IN ORDER TO CREATE SUCH A AMAZING STRUCTURE. MANY WHICH STILL CANNOT BE REPLICATED IN THIS DAY AND TIME. WHATS EVEN MORE AMAZING IS THE FACT THAT YOU COME FROM THAT GREATNESS !

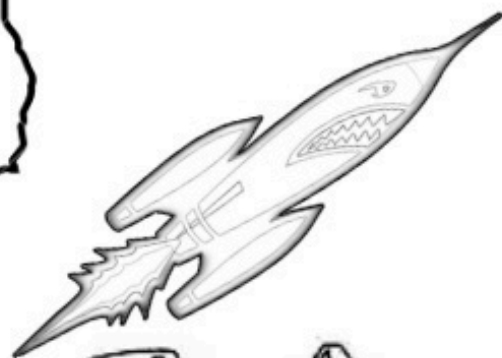

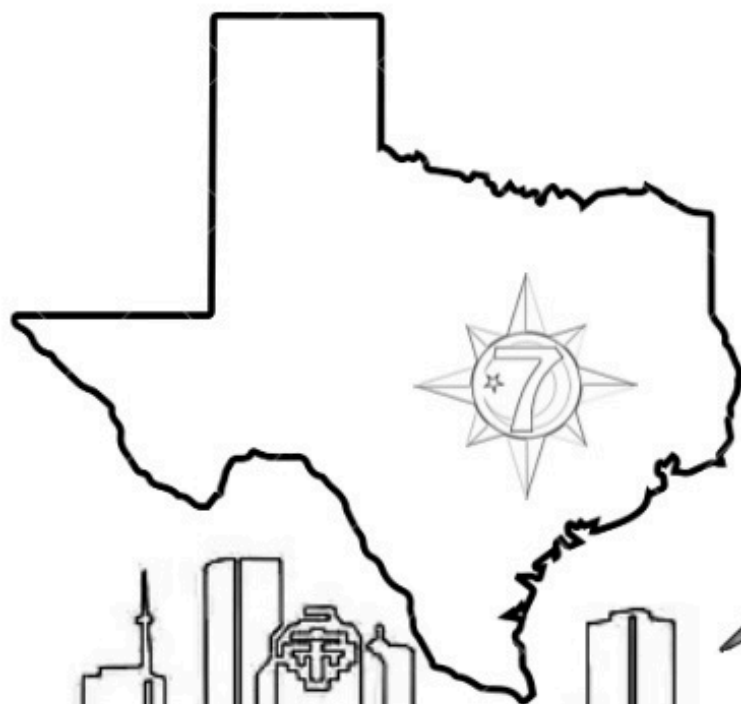

Build Your Own Pyramid

- 1.) Grab A Blank Piece Of Paper, Ruler , Color Pencils, Pencil, Scissors and Glue Stick.
- 2.) Take Your Ruler And Measure Each Line On Example And Write Measurements Next To Line.
- 3.) After You Have Your Measurements Carefully Use Your Ruler To Draw Exact Measurement On New Blank Sheet Of Paper.
- 4.) Color The Triangle And Square Only. Leave Flaps Blank.
- 5.) After You Have Completely Drawn Measurements On Paper And Colored, Take You Your Scissors And Carefully Cut Around The Outside Lines
- 6.) Gently And Carefully Fold Paper Where You See Dotted Lines In Example.
- 7.) Take Glue Stick And Glue The 4 Flaps Gently, Only Spreading Over The Flaps.
- 8.) Press Flaps Down Gently And Hold.
- 9.) ENJOY YOU JUST USED MATH TO MAKE A PYRAMID !

FUN ASTRO FACTS !

SUN DIALS : Are one of the oldest tools used by Original People to record years, months, days, seasons and time in general. Therefore they had to have an advance system of mathematics.

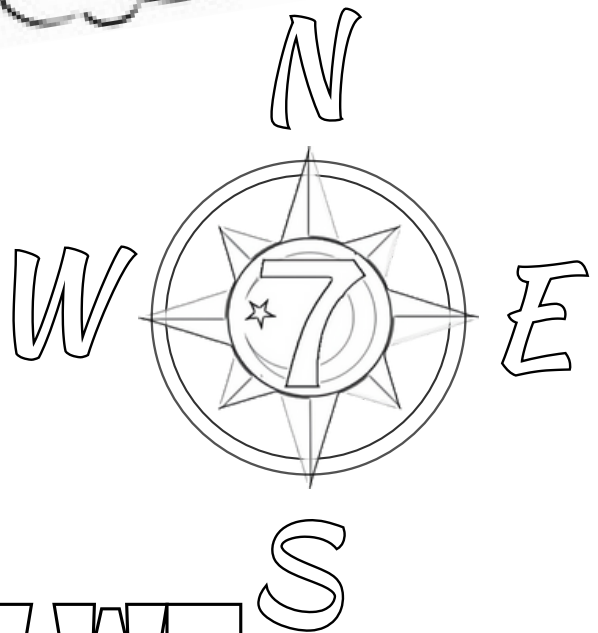

NABTA PLAYA : One Of The Oldest Astronomical sites to exist today is a stone circle called Nabta Playa which was created by Original People in what is now known as “Africa”, the Sub-Sahara region to be exact. It has been speculated that the Natufians may have had a hand in building this site they are a tribe of Original People who walked these plains thousands of years ago. This site is over 7,000 years old but speculated to be as old as 41,000 B.C. !

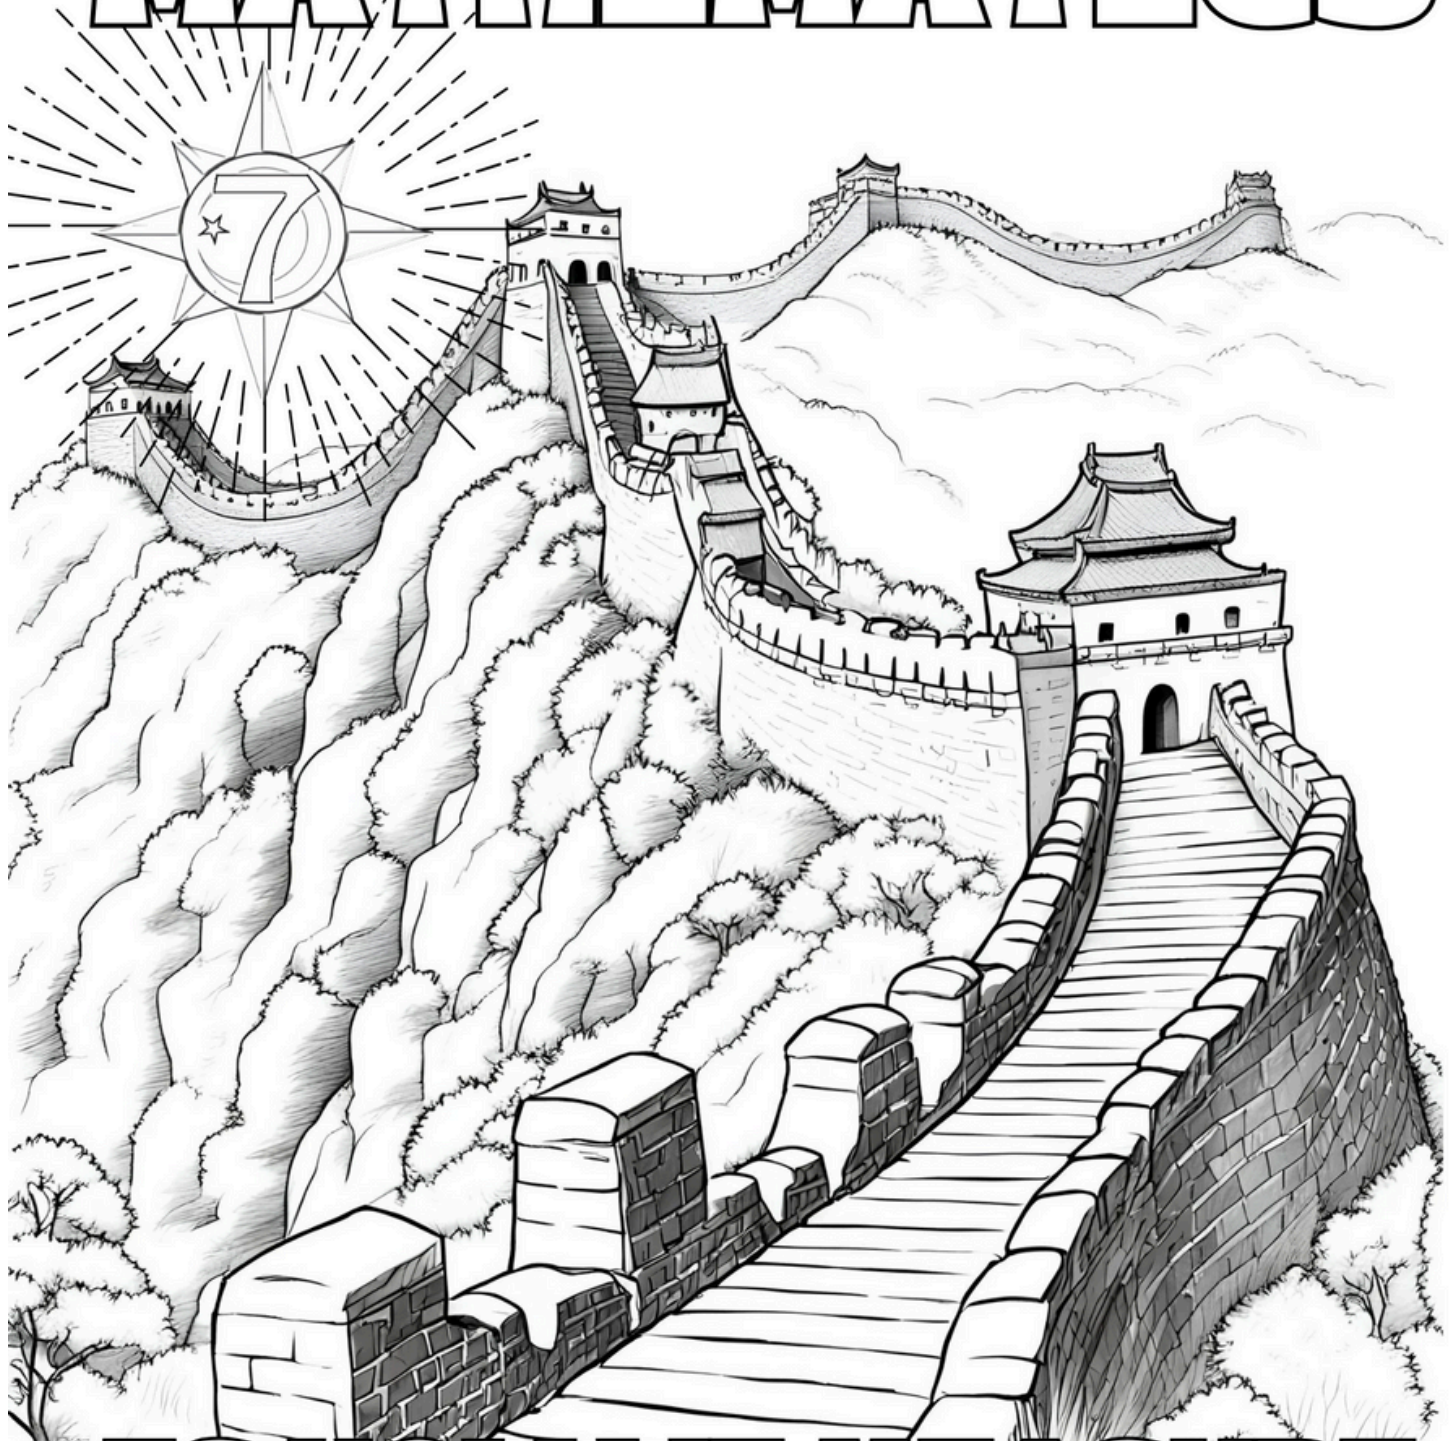

DOGON TRIBE : The Dogon tribe is a group of Original People located near the central plateau region of Mali. They are most famous for their vast star knowledge and even have a rich history of studying the star Sirius before the modern world even knew about it. The Dogon tribe is said to have one of the most accurate star maps in todays time and they have been charting the stars before who knows when ! In fact majority of all astronomy and astrology in todays time is based off their works .

WHO BUILT THE GREAT WALL OF CHINA ?

Great Wall Facts

It is the longest man-made structure. The total length of the great wall is over 13,171 miles, from the east seaside to north china, with spectacular views everywhere.

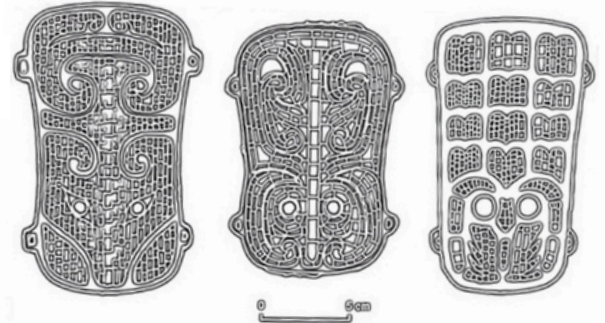

The construction of the Great Wall lasted over 2,300 years (680 BC - 1621 AD). Different sections of the wall were being built, destroyed, and renovated by 9 different dynasties.

Contrary to the popular myth, the Great wall of china is not visible to the naked eye from outer space.

XIA DYNASTY

XIA ARTEFACT XIA DYNASTY :

The Xia Dynasty is the first civilization to be established in China around 2,000 B.C. They are Original People who are said to have come from the bordering region in Mesopotamia during their migration from "Africa". These are the people responsible for establishing civilization and culture in the far east. Although no written history is ever mentioned many oral accounts have been passed down about the leader of this dynasty who was an engineer and mathematician named Yu. Isn't that interesting ? One thing I love about this culture is that Xia is actually pronounced like the word Asia. At one point in time the whole world was known as Asia because the word literally means "Land Of The arising Sun". Even more amazing, no matter where we go on this planet we always find at the root of civilization two common factors . One is original people and two is MATHEMATICS.
