

INDIALANTIC VILLAS CONDOMINIUM ASSOCIATION, INC.

**We still need your vote for paint colors!**

Indialantic Villas has contracted **C&J Painting of Brevard County** to paint all exterior surfaces of our buildings, the perimeter wall, and fences.

Painting is scheduled to begin the week of **October 7<sup>th</sup>, 2019**.

Your board of directors has selected a beautiful, fresh “Modern beach” color palette that captures the spirit of our Indialantic beachside community.

You may view a digital version of the colors at <https://indialanticvillas.com/paint-selection>.

We must receive a 75% owner approval vote to go forward with this material alteration of the property. If you do not return this letter, you are effectively voting to retain the current outdated yellow we have been living with for over a decade!

Please vote for one of the following two options and return to Space Coast Property Management at the address below. We need all votes in before October 3<sup>rd</sup>. Thank you.

\_\_\_\_\_ New Modern Beach palette (Board’s recommendation)
