DRAFT

CALL TO ORDER: At 5:05 PM, Scott Armison, Meeting Chair, called the meeting to order.

ROLL CALL AND DETERMINATION OF QUORUM: With 16 owners present in person or proxy a quorum of the majority (25) of the Members was not present and the meeting couldn't be called to order.

PROOF OF NOTICE: The 2nd notice was mailed 30 days in advance in accordance with the FL 718 and the Associations governing documents.

Note: Scott explained the State requires the Association to make a reasonable attempt to hold the annual meeting, however doesn't define reasonable; most do as the one try. In this case of no quorum, the current Board will roll over into the new term year and if they choose, can resign, appoint, or leave vacant seats empty.
