Summer Horse Camp

Hours: 8am to 5pm

Horse camp is a wonderful opportunity for your child to experience & learn the enjoyment and responsibility of horsemanship. Whether your child is a first time rider or has ridden for years, our program is designed to give each student the ultimate horse experience!

The typical day starts with a group riding lesson in the morning. Groups are divided based on riding ability and age. Students are matched up with a project horse for riding and horse science activities. After riding, there will be a horse science lecture followed by the hands on lab portion after lunch.

If weather permits, students will ride again in the afternoon and will explore a different riding discipline, games on horseback, or enjoy a trail ride on the property.

Parents are invited for a riding performance on Friday at 3:00.

Riding Helmets

Safety is paramount at Ivy Rock Farms. We require all riders to be in ASTM-SEI certified helmet. We provide helmets at the barn but if you wish to purchase your own, please contact us and we will help you find the best brand and prices.

Apparel

Long pants, heeled boots, and t-shirt are required. For your safety and sun protection, no spaghetti straps, tank tops, or sleeveless shirts are permitted. Please pack a pair of shorts to change into after riding.

What to pack

Please pack a healthy lunch and plenty of water (no glass bottles). If weather permits, we cool off in a lake on the property with a certified lifeguard so pack a swimsuit and towel. Please apply sunblock at home and pack spray sunblock for re application during the day.

Tuition Fee:

Tuition per week is **\$395**. We offer a \$25 discount for each additional week. A deposit of **\$100 is required to hold your spot in each requested week.**

Early Bird Rate: Get your \$100 per week deposit in by **May 15th** and pay only **\$375** per week. You will also still be eligible for an additional \$25 discount for multiple week sign-ups.
