CAPABILITY STATEMENT

CORE COMPETENCIES

Scruggs Construction Inc., founded in 2017, is a family-owned and operated concrete construction company. The Scruggs family has four generations of history in concrete construction dating back to 1969. As the company grew, our services included [high quality residential, commercial, and decorative concrete services](#). In the past several years we have expanded and in addition to concrete work we also offer [excavation and demolition services](#).

Scruggs Construction was built on high-quality concrete work, and our qualified concrete experts continue to provide excellent workmanship. We are a self-performing contractor, with knowledgeable and experienced crews that can design intricate plans, oversee delivery, and ensure our work is executed safely, promptly, and with precision.
