

# THE TOWPATH INN

## PIZZA-COCKTAILS-STREETFOOD

We make Detroit Style Pizza. **What's that you ask?** It's a thick fluffy base that we bake in a pan, during the baking the cheese is pushed to the sides creating a crispy bark. We place the toppings under the cheese with the our signature sauces on top.  
**Serves 2-4 ppl ask the team about our GF, veggie & vegan options**
