Sermon “Lessons from the Old Testament—David” (Part 1) Tony Bell

*Closing Hymn “O Jesus, I Have Promised” Page #396 MH

*Benediction Brigid Foster

*Denotes Congregation standing if able.

What you can expect when attending worship:

- The online YouTube service option will continue. The 8:45 service will be livestreamed weekly and once it is completed it can be viewed at any time. For the 11:00 service to be livestreamed we will need volunteers to step up, be trained and be available weekly. Both services will be available from the church parking lot via radio channel FM 94.5.
- **Both 8:45 & 11:00 services have resumed for in-person worship.**
- There will NOT be Wee Worship or Nursery during this early phase.
- There will be one entrance into the sanctuary, via the front of the church/narthex where screenings will take place outside (in the porch/portico area), before entering the building. Should anyone register a temperature of 100.4 or higher they will be asked to refrain from attending and encouraged to watch from home and to take care of themselves.
- People will exit via side doors near the chancel area, which will allow for one-way flow of traffic.
- There will NOT be printed bulletins, as we cannot pass out items, however the 11:00 order of service can be accessed via the church website at www.coldspringsumc.org and you can view it on your device during the service or print it out at home and bring it with you.
- If you feel most comfortable wearing a mask please bring one with you. Should you forget we will have extra masks in the narthex upon entering the building. We know some will feel most comfortable wearing a mask while others will not.
- Hand sanitizer will also be in the narthex for people to use, but you may feel more comfortable bringing your own small travel bottle of sanitizer.
- There will NOT be passing of the offering plates. Instead, an offering plate will be sitting on a stand just inside the sanctuary entry doors and people can drop an offering in that plate as they enter. If they prefer to drop an offering into the plate as they exit, plates will be on a stand near each exit door.
- People will need to be spaced out according to the CDC guidelines of six feet, however immediate family members may sit closer together like normal.
- In an attempt to keep the building as free of germs as possible the mailboxes will not be in use... again, we cannot pass out paper items which would include mail or pieces of paper.
- Should anyone have a fever or not feel well please refrain from attending.
- Should you have a compromised immune system or have other health conditions that make you more prone to illness please refrain from attending.
- Should you feel uncomfortable being around people because of the potential of getting ill please refrain from attending.
