

Dear Enthusiast,

As a serious performance enthusiast, we know that you want to experience a 760-horsepower super car. That's why you and your club members are invited to the Ford North American track tour featuring the 2020 Shelby GT500. It will kick off at the Las Vegas Motor Speedway road course and drag strip.

During this half-day session (starting at 1 pm) on Monday, October 28, you will learn all about the new Shelby GT500 **and get behind the wheel**. A very limited number of slots are available, so the registration process is "first come, first serve."

Please let your club members know about this opportunity as soon as possible. They can RSVP via email at [bwilliams@tprm-usa.com](mailto:bwilliams@tprm-usa.com) to receive a unique registration code. After receiving the code, they will use it to register on [www.GT500TrackTour.com](http://www.GT500TrackTour.com).

Once they complete the registration, a confirmation email with the event details will be sent to them within three business days. Please contact us asap if you or the participating club members do not receive that confirmation.
