

The BCC "Car Street" Rallye

When: Nov. 9, 2019

Where: Clark County

Ok! We start at The Smith's Shopping center off the 215 and 1000 N. Green Valley Parkway - (Parking lot near the Cracked Egg)

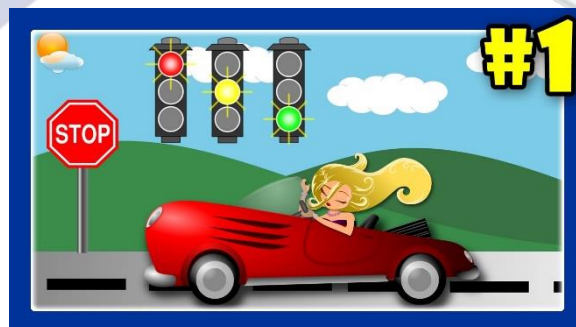

This is the first BCC low mileage rally requiring some form of GPS. (Tom-Tom, Garmin, or Smart phone, it's your choice) You will definitely need a Navigator!

Preferably one you can count on talking to you during and after the rally.

Make sure your gas tank is full. If you want to have breakfast show up early and enjoy the Cracked Egg for a sit-down meal or Wendy's if speed is more your style.

Driver's meeting at 9:45 and rally sheet issued at that time. (hint, take advantage of your time and plan your route.)

First car out at 10:00 AM. (This is **NOT** a timed event, but we need to have some separation for the navigators) Follow the instructions on the rally sheet and **Have Fun**. The awards, beverages and lunch will be after everyone has arrived at the last stop.

We Deal in Fast Fun!
