Marketplace Ministry & Strategic Influence

The Marketplace is a Mission

- Barna Research: **Entrepreneurs are more trusted than pastors** by younger generations
- Business leaders are positioned for **Kingdom influence through trust, excellence, and faith**
- Ministry happens through our work — **faith, leadership, and business united**

God called **Bezalel, Oholiab, and Zerubbabel** to build sacred spaces — **not alone**, but with others who shared the vision.

They used their **God-given skills** together to fulfill a divine purpose.

AZCCCC Membership Benefits & Values

Building Businesses. Advancing the Kingdom. Transforming Culture.

Unity = Strength | Kingdom Impact Together

“Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.”

— Ecclesiastes 4:12

The Vision of Unity:

- After receiving a vision of a **rope and net**, God revealed that we are stronger when **woven together in purpose**
- A broken necklace served as a sign: **we are not meant to build alone**
- AZCCC is a movement of **commUNITY**—business leaders linked in mission and faith

Together, we reflect God’s light, truth, and love in the marketplace.

"Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you."
