

Core Wellness Plan

More is missed by not looking than not knowing.

—Thomas McCrae

Elm Creek Equine Veterinary Service provides a comprehensive wellness package to each of our patients. We believe every horse deserves complete access to healthcare, with comprehensive examination designed to ensure maximum health and welfare. We believe our Core Wellness Plan is the basis of good health for every horse and provides a foundation for custom care recommendations based on your horse's individual needs.

Our \$525 Core Wellness Plan includes:

Complete nose-to-tail physical exam

Examination of skull, eyes, and ears
Examination of the neck including cervical spine
Examination of the back, SI and pelvis
Examination of the thorax and abdomen
Complete examination of the limbs
Basic lameness exam
Basic neurologic exam

Comprehensive Vaccination Program

Flu, Rhino, West Nile, Tetanus, Sleeping Sickness, Rabies

Fecal Egg Count with Tape Test (for pinworms)

Sheath Clean or Udder Wash

Sedated dental exam with dental float

Complete dental chart included
Grade 1 Periodontitis Treatment and Level 1 Extractions if needed

Need a Coggins Test?

Save \$15 on your horse's Coggins when booking it with your Core Wellness Package.

Need USDA Health Papers?

Save 50% on USDA Health Papers when done with our Core Wellness Package.

Not sure if you need a dental? Every horse is sedated and a complete oral exam is performed. If no occlusal adjustments are recommended, the plan price is decreased by the value of the dental float.

Follow Up Services:

Any follow-up appointments booked within 30 days after the Wellness Plan appointment will receive 20% off all further diagnostics or treatments as recommended during our initial wellness appointment. Further diagnostics or treatments may include imaging (radiographs, ultrasound, endoscopy, gastroscopy), chiropractic, acupuncture, joint injections, but all available professional services are included with this plan.
