

LEAP INTO LIVER HEALTH!

Are you interested in an internship...

- where your voice will aid in dismantling stigmas and biases?
- where you will be able to utilize your creative mind & spirit?
- that gives you the opportunity to manage and scale a social media presence on multiple channels?
- where you will be working on a grassroots impact program under the umbrella of a non-profit with robust experience?
- where you will be a vital part of a small and nimble team who will listen to and help guide you?
- that will give you flexibility in the hours and days you work?

If you answered an emphatic “YES” to these questions, please apply to join our team!

Why Sober Livers? Social Connection is Vital!

An individual DOES NOT need to trade one death sentence for another...

- Some are isolated with alcohol use disorder (AUD).
 - Interpersonal Violence
 - Mental health & other disabilities
- Others only connect socially with alcohol.
- While many lose their social, work & family because of AUD.

Source: Office of the U.S. Sureon General

Sober Livers builds a bridge for people with an alcohol-associated liver disease or a transplant due to alcohol to connect and thrive in sobriety & society!
