

Find the extra help you need

Find free and low-cost programs for transit, food, healthcare, and more

The Wellness League is an easy to use online platform, powered by the Fatty Liver Foundation, that connects you to social services and resources in your community. Simply enter your ZIP code to find verified, free and low-cost services near you.

Liver Health

Find fatty liver disease care centers, hepatologists, and non-invasive screening near you.

Food

Find a food pantry in your neighborhood or food delivery services near you.

Healthcare

Services like medical care, nutrition education, counseling and more.

Transit

Get help paying for gas, help paying for a car, and transportation to medical appointments.

Housing

Services like temporary shelter, maintenance & repairs, help paying for utilities, and more.

Work

Find job placement programs, skills and trade programs and get help paying for work expenses.

It's free to use and easy to get started:

1 Vist our Website

Enter this url in your web-browser thewellnessleague.findhelp.com or scan the QR code to the right.

2 If needed, change the language of your search using the language box in the bottom left corner of the page.

Quick Resources:
