

HARVESTCITY

# Family Worship Guide

*A Resource for Corporate Worship  
in this Virtual Season*

## **Before The Reunion:**

We are so glad you are joining us virtually from your home. Here are some recommendations we have for you as you prepare for worshipping God as a family this Sunday morning:

- Prepare your heart for worship. (Do something that stirs your affections for Jesus.)
- Gather communion elements (Substitutes are ok if you're low on wine, juice or bread.)
- Print out your kid's activity pages (Links found in Slack on the general channel.)
- No pressure here AT ALL, but this may be a good time to give online if you don't have recurring gifts set up in Planning Center and you want to worship God in this way. You can also use this link to give to our COVID-19 Fund if you'd like to support those on the front lines in health care or those hurting financially as a result of this pandemic.  
(<https://harvestcityic.churchcenter.com/giving>)
- Once you are on Facebook and have the Reunion premier video running please drop a comment to let others know you are worshipping with them virtually! Also, consider sharing the video on your Facebook to encourage your friends to join us!

## **Liturgy:**

Another thing we've learned about family worship is that it might be helpful to press pause in order to keep everyone in your family engaged and on the same page. With that in mind here is the order of worship so that your family can consider the best times to press pause.

- Song (Call To Worship)
- Welcome, Opportunities & Offering
- Song (Confession of Sin)
- Corporate Confession of Sin
- THIS IS A GREAT TIME TO PUSH PAUSE!
  - Set up kids with activities, refill your coffee and take a bathroom break
- Sermon
- Song (Redemption)
- Communion
  - Husbands and dads this is a unique opportunity for you to serve your family
- Song (Restoration)
