ONLY A HOLY GOD

Verse 1

Who else commands all the hosts of heaven
Who else could make every king bow down
Who else can whisper and darkness trembles
Only a Holy God

What other beauty demands such praises
What other splendor outshines the sun
What other majesty rules with justice
Only a Holy God

Come and behold Him
The One and the Only
Cry out, sing holy
Forever a Holy God
Come and worship the Holy God

Verse 3

What other glory consumes like fire
What other power can raise the dead
What other name remains undefeated
Only a Holy God

O GOD FORGIVE US

Verse 1

We've prayed the prayer with no reply
Words float off into the night
Couldn't cut out doubt with the sharpest knife
Oh, oh God forgive us

Verse 2

Silence isn't comfortable
We want drive through peace and instant hope
Our shallow faith it has left us broke

Chorus 1

Oh, oh God forgive us
Oh, oh God forgive us
Enslaved to our uncertainty
Help us with or unbelief
Oh, oh God forgive us

Verse 3

You and old, black and white
Rich and poor, there's no divide
Hear the mighty, hear the powerless, singing

Chorus 1 — next page

GRACIOUS TEMPEST

Verse 1

Your love towers over me
A gracious tempest in the sea
Your love is like a storm

Verse 2

Let Your tide of mercy reign
Let it flood my heart again
Surround me like an ocean

Chorus

Your love is crashing over me
It's surging like a raging sea
Immerse me in the wonder of Your love
A downpour of unending grace
Consuming all my reckless ways
My sin submerged, Your love has saved my soul
Your love is like a storm
