OCCUPATIONAL HEALTH AND SAFETY

POLICY STATEMENT

- ✓ Management undertake to provide for, as far as is reasonably practicable, the health and safety of its employees and the protection of all persons other than employees against hazards associated with the organisations activities.
- ✓ Our priority is to support the communication system, ensure that everyone is made conversant with the hazards attached to all work performed, understand the precautionary measures required with respect to all hazards and are provided with the necessary information, education, training and supervision to maintain a safe workplace.
- ✓ We will remain proactive by anticipating, recognizing, evaluating and controlling all unhygienic and unsafe situations that could result in incidents or disruption of work. We will promote positive mental, physical and social wellbeing within the organization.
- ✓ This can only be achieved through joint consultation and mutual participation
