Gate Access Passes (GAP's): The email account to request gate access passes (GAPs) is bwigap20@gmail.com. The deadline for requests is **36 hours** **prior to the first flight of the day**. Please enter GAP Request(s) in the subject line and the date(s) and Airline Hub(s) you are requesting GAP's for in the body of the email. **Unless you are meeting the first flight of the day please let us know which flight you will be meeting.**   This helps us with volunteers being available for you to pick up your gate pass and dropping off your parking ticket for validation. If your plans change and you will not be at the airport, please advise through **bwigap20@gmail.com** account up to and including the day of the flight. GAP requests received after the 36-hour cut off will not be honored.

The requested format for submitting is:

First name, Middle initial, Last name, date of birth, (mm/dd/yy format) and gender. Please submit in this format:

John D. Smith, 03/16/99, male

Requests with multiple names should be sorted by last name. When you are submitting a request where several people have the same last name, please also sort by first name. For example:
Amy M. Smith, 04/21/99
John D. Smith, 03/16/99

Please check that your information is correct before submitting as those requests received that are not in the requested format will be returned with a request to reformat. If you are <u>military</u>, please note on your request so we can assign you to the correct listing. If you do not receive a response to your request within 24 hours, please email jjabner@verizon.net so she can respond.

BWI Airport Honor Flights for March 18 – 30, 2023				
Flight Arrival Date	Hub Name & Departure Airport	Airline Flight # and Arrival Time	# Vets	# Guardians

Please park in the **hourly garage** and **bring in your parking ticket for validation** along with a government issued picture ID. **Please note face coverings are optional at BWI airport. The parking validation deadline is 60 minutes before the flight arrival time.** Everyone, babes in arms included, needs a **GAP**. A picture ID is **not required** for those under the age of 18 and children under 12 do not have to remove their shoes. Also, volunteers **75 and older** can leave their shoes and a light jacket on. If the shoes set off the alarm, you will be asked to take them off and go through the screening again.

Pick up point for all **GAPs** and drop off of parking passes will be between doors **10 and 11** on the upper level just past the **Jet Blue** check-in desks. This gives us more space to congregate. This will also enable us to get parking passes validated more quickly. Pick up point for underlined validated parking passes will be at the same location. If you do not find a yellow shirt at this location, please check with the **D Information Desk** located nearby the **United** check-in desk.
