STONE HARBOR POINT

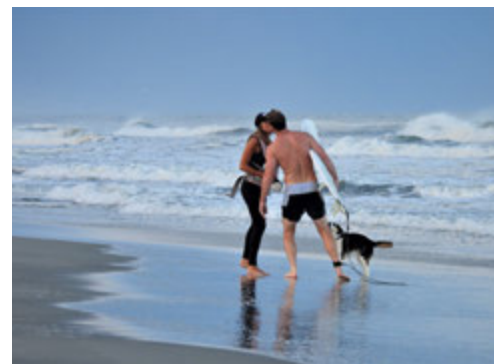

Located at the southern tip of Stone Harbor, you'll find a virtually deserted, pristine stretch of beach with sandbars, salt marshes and mud flats. The Point is a tidal estuary where the ocean meets the bay with an ever-changing landscape of shifting sands alive with birds and nature. It is a designated conservation area and because of this, its uses are limited. Please stay out of marked protected areas. It is a place to enjoy walking, fishing, beach combing and bird watching.

STONE HARBOR MARINA

Our marina at 81st Street has a public boat ramp, kayak ramps, a public fishing and crabbing pier, restrooms, a pump-out waste station and plenty of free parking. Ramp fees apply. Contact the Recreation Department for more information, 609.368.1210.

STONE HARBOR BIRD SANCTUARY

A National Landmark since 1965, our bird sanctuary at 114h Street is comprised of 21 acres of maritime forest, wetlands, a spring-fed fresh water pond and meadow system. The preserve swarms with birds and butterflies and offers a self-guided informational walking tour. Docent lead walks are offered on weekends.
