AGRESTAL

— ORGANIC LIVING —

Every fibre
carries the story of
a mountain, a shepherd,
and a promise
to the future.

FROM THE HIMALAYAS TO THE WORLD

AGRESTAL
— ORGANIC LIVING —

Where Every Fibre Begins

Long before wool became a textile, it was a way of life in the Himalayas.

Across generations, shepherd communities have followed ancient migratory routes through the mountains, caring for their flocks with knowledge passed down over centuries.

At Agrestal, we honour this heritage by working directly with these communities to bring responsibly sourced Himalayan wool to the world.

HIMACHAL PRADESH, INDIA

A Heritage Worth Preserving

OUR JOURNEY FROM THE HIMALAYAS TO THE WORLD

1960s

ROOTED IN TRADITION

Shepherding has been a way of life in the Himalayas for centuries, passed down with wisdom and care.

1990s

STRENGTH IN UNITY

Shepherd cooperatives emerge, bringing communities together for better livelihoods and a sustainable future.

2000s

BUILDING CAPABILITIES

Investing in skills, infrastructure and systems to ensure quality wool and create long-term value for farmers.

2020

THE BEGINNING OF AGRESTAL

Agrestal Organic Living India Pvt. Ltd. is founded with a vision to connect heritage with innovation.

2023–25

GROWING RESPONSIBLY

Expanding our impact—more shepherds, more flocks, more acres certified, more trust earned across the world.

THE ROAD AHEAD

A PROMISE TO THE FUTURE

Continuing our journey with integrity, responsibility and respect for people, animals and our planet.

Guardians of a Living Tradition

Behind every fibre is a story of commitment,
care and coexistence.

For generations, our shepherds have nurtured
the land and their flocks through changing
seasons and harsh landscapes.

At Agrestal, we walk beside them—honouring
their knowledge, supporting their future and
bringing their incredible wool to the world
with pride and responsibility.

“

*Traditions are not
inherited, they are
earned every day.*

”

CHAPTER 3

The Journey of Every Fibre

From the Himalayas to Global Markets.

Shepherd Communities

Rooted in tradition, our shepherds nurture their flocks with knowledge passed down for generations.

Responsible Grazing

Natural pastures, rotational grazing and care for the land ensure a healthy balance for animals and nature.

Seasonal Migration

Our flocks follow the seasons — a time-honoured practice that sustains both the land and livestock.

Animal Welfare

Healthy animals, clean water, shelter and compassion are the foundation of every fibre we produce.

Collection & Sorting

Raw wool is collected at the source and sorted carefully to maintain quality and consistency.

From Fibre to Fabric

TRANSFORMING NATURAL FIBRE INTO SUSTAINABLE SOLUTIONS

Our state-of-the-art yet responsible manufacturing process transforms certified Himalayan wool into premium needle felt with care and precision.

“

Every step we take reflects our commitment to quality, responsibility and the future.

”

01

RAW WOOL RECEIPT

Ethically sourced wool is received, graded and inspected for quality and traceability.

02

OPENING & WILLOWING

Fibre is gently opened and cleaned to remove dust, dirt and vegetable matter, preparing it for washing.

03

SCOURING & WASHING

Multi-stage scouring removes natural grease, dirt and impurities while preserving the fibre's integrity.

04

DRYING

Clean wool is carefully dried to achieve the right moisture content for downstream processing.

05

CARDING

Fibres are aligned and formed into a uniform web, ensuring strength, consistency and superior quality.

06

CONDENSING

The carded web is condensed into continuous slivers for even feed and optimum performance.

07

NEEDLE PUNCHING

Thousands of barbed needles interlock the fibres, creating strong, durable and binder-free felt.

08

FINISHED FELT

Felt is inspected, rolled and packed with care—ready for industrial applications across the world.

Growing Together

EMPOWERING COMMUNITIES.
ENRICHING FUTURES.

At Agrestal Organic Living, our journey goes beyond wool. We work hand-in-hand with Himalayan shepherd communities, creating shared value through fair partnerships, knowledge, healthcare and meaningful support. When our communities thrive, so does every fibre.

OUR COMMITMENT TO THE PEOPLE BEHIND THE FIBRE

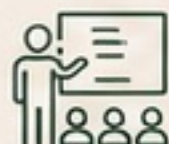

FAIR & TRANSPARENT PRICING

We procure wool at fair and competitive prices, ensuring dignity and security for the livelihoods of our shepherd communities.

MIGRATION SUPPORT

We provide essential items that truly help during seasonal migration, such as rain covers, first aid kits, lights and other useful field equipment.

FARMER TRAINING & AWARENESS

Regular training camps on grazing certification, responsible grazing, wool handling, animal health and best farming practices.

SUPPORT & ESSENTIALS

Distribution of crucial kits for sheep, veterinarians, medicines and other critical supplies to promote flock health and productivity.

ANIMAL HEALTHCARE

In-house veterinary support with dedicated veterinarians and pharmacists providing timely treatment, medicines and preventive care for sheep.

LONG-TERM PARTNERSHIPS

Built on trust, respect and continuous engagement. We grow together with our communities, season after season.

“
When our communities thrive,
our wool thrives.”

Our commitment is not just to sourcing the finest wool, but to building a stronger, healthier and more prosperous future for the Himalayan shepherd communities who make it possible.

“ Our greatest investment has always been the people who care for the Himalayan wool we proudly share with the world. ”

CARDING SECTION

AGRESTAL ORGANIC LIVING INDIA PVT. LTD.

OUR PRODUCTS

NATURAL WOOL. ADVANCED SOLUTIONS.

Agrestal Organic Living offers a diverse range of premium wool products developed for performance, durability and sustainability.

From high-quality wool to specialized wool-based solutions, our products are engineered to meet the exacting standards of global industries.

OUR PRODUCT FAMILIES

WOOL SLIVERS & TOPS

- Wool Slivers
- Wool Tops
- Consistent Quality
- Custom Specifications

WOOL FELTS

- Needle Felts
- High Density Felts
- Industrial Felts
- Custom Felts

WOOL WADDINGS

- Quilting Waddings
- Insulation Waddings
- Upholstery Padding
- Natural & Durable

WOOL DRYER BALLS

- 100% Natural
- Chemical Free
- Reusable
- Eco-Friendly

*Premium quality. Natural performance.
Sustainable by nature.*

WOOL SLIVERS

Consistent. Clean. Refined.

WOOL TOPS

Pure. Natural. Versatile.

WOOL FELTS

Strong by nature.
Engineered for
performance.

WOOL WADDINGS

Soft comfort.
Natural insulation.

WOOL DRYER BALLS

Natural care for fabrics.
Better for you and the planet.

OUR APPLICATIONS

NATURAL WOOL SOLUTIONS FOR EVERY INDUSTRY.

From comfort and insulation to filtration and protection,
our wool products deliver natural performance
across a wide range of industries.

01

MATTRESSES & BEDDING

Breathable comfort, natural
resilience and temperature
regulation.

02

FURNITURE & UPHOLSTERY

Adds comfort, shape and
durability to upholstery
and furniture.

03

AUTOMOTIVE INTERIORS

Lightweight, durable and
effective for noise, heat and
vibration control.

04

THERMAL & ACOUSTIC INSULATION

Superior natural insulation for
heat retention and sound
absorption.

05

CONSTRUCTION

Sustainable insulation and fire-
resistant solutions for green
building systems.

06

AGRICULTURE & HORTICULTURE

Natural mats and felts for erosion
control, mulching and plant
protection.

07

INDUSTRIAL & TECHNICAL TEXTILES

High-performance felts for filtration,
polishing, gaskets and industrial
applications.

08

HOME CARE (DRYER BALLS)

Chemical-free fabric care for softer
laundry and reduced drying time.

*One fibre. Many solutions.
Trusted by industries. Loved by nature.*
