AGRESTAL
— ORGANIC LIVING —

About Agrestal

India's Leading Certified Himalayan Wool Sourcing Company

Specialized in traceable, high-quality raw wool and technical textile solutions.

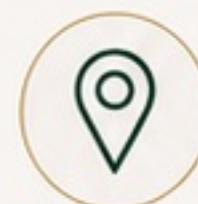

217,248+ Sheep

Under certification across Himachal Pradesh.

478 MT Annual

Raw wool production.

Farm-to-Fibre Traceability

Complete transparency from pasture to processing.

Export-Focused Supply Chain

Serving global textile and manufacturing partners.

Trusted by Global Buyers

Long-term supply partnerships built on quality and reliability.

Rooted in the Himalayas. Committed to the World.

We work with shepherd communities to deliver ethical, certified and sustainable wool to global markets.

SOURCED WITH CARE FROM THE HIMALAYAS

Our wool is sourced from high-altitude pastures across the pristine regions of Himachal Pradesh.

- Kangra
- Kullu
- Chamba
- Lahaul-Spiti
