

**“Dedicated to promoting the Braunvieh breed”**

January 21, 2021

To whom it may concern;

I am writing on behalf of the Texas State show committee as well as the Hospitality committee of the Texas Braunvieh Association. We are wanting to reach out to individuals and businesses in our local communities to try to raise money for our junior program in which we will be hosting a state show in Wichita Falls, Texas this year. We have recently started a scholarship fund for our Braunvieh youth, and we gladly accept donations to that fund as well.

We appreciate your time and attention to this matter as it benefits the most influential portion of our Braunvieh breed of cattle ..... our youth. The money raised goes to the youth in one way or another. None of the monies collected go towards paying any salaries or anything of that nature, as we are all doing this strictly as volunteers. We are set up as a non-profit organization, and your information will be put on whichever media you choose to sponsor, so therefore it can be a tax deductible item as well.

Feel free to contact me at any time if you have any questions or concerns.

Sincerely,

Donnie Johnson  
President Texas Braunvieh Association

# 2021 Texas Junior Braunvieh Showcase

April 16<sup>th</sup> thru April 18<sup>th</sup>  
J S Bridwell Agricultural Center – Wichita Falls, TX

The Texas Braunvieh Association is a non-profit organization of volunteers dedicated to promoting the Braunvieh breed through strong support of the Texas Junior Braunvieh Association. Our young breeders actively participate in livestock shows and exhibits. The Texas Junior Braunvieh breeders are tomorrows agricultural leaders devoted to promoting the breed, improving the quality of the livestock, and increasing agricultural awareness.

The Texas Bruanvieh is still in the very early stages of building a youth program that will not only promote the Braunvieh breed but also encourage our youth to continue their education and succeed as leaders. The Showcase will not be just about showing cattle. It will be an event that will combine showing cattle with other educational activities as well social activities to help develop personal relationships as well. These juniors are passionate about their cattle and agriculture; let's show these juniors we are passionate about them. With this in mind, the Texas Braunvieh Association needs your help. If you would like to be a part of supporting our agricultural leaders of tomorrow, please make your contribution to the Texas Braunvieh Association.
