High Point Individuals:

At our Texas Junior Braunvieh State Showcase in Wichita Falls, Texas on April 7-10, 2022, junior exhibitors will compete in written, speaking, exhibiting, and identification events to earn points that will be accumulated during that weekend only. These youngsters will be attempting to accumulate the most points possible so that they can earn the title of "High Point Individual". Exhibitors will be divided into one of two groups. They will compete in either "Braunvieh Veterans" or the "Braunvieh Invitational". Then each of those two groups will be divided by age groups....Junior, Intermediate, and Senior. This will allow us to have six (6) different "High Point Individuals". The High Point winners will receive a \$1000 credit to be used towards Braunvieh genetics (animal, semen, embryo, etc.) with any breeder that is a member of the Texas Braunvieh Association that is in good standing on April 07th, 2022. The credit must be used within 1 year and can be used with a maximum of two breeders. The breeder must send receipt to the association within the one year time period to be reimbursed for the \$1000 credit. The junior exhibitor and the breeder will then need to work out the sale price of the genetics the two parties agree on.

In the event that a recipient chooses not to use their credit, for whatever reason, said credit will be put back into the Junior Braunvieh Association Program. It will be at the committee's discretion as to how the certificate will be allocated for future use.

Snack Bar:

A snack bar will be open during the entire show. Each exhibitor is asked to bring a box of individually wrapped snacks or drinks (12 pack of soda, case of water) for the snack bar. Meals for the listed times on the schedule will also be available at no cost during show. Be sure to complete the headcount portion of the entry so that enough food will be available for meals.

All exhibitors are expected to exhibit good sportsmanship and exemplify the **TEAM (Together Everyone Achieves More)** motto.
