

## **SCHOLARSHIP DONATION OPPORTUNITY**

The Texas Junior Braunvieh Association is a 501c3 organization awarding TBA Junior members financial assistance to further their education at the collegiate level. Scholarships are awarded based on a strong work ethic and good character. Throughout the year young people from across the country put forth great effort to be good stewards of agriculture, and learn valuable life lessons through raising and exhibiting Braunvieh cattle. We are asking for your help in rewarding the hard work put forth by these young people!
