In the event of a conflict between a provision hereof and a provision of the CC&Rs, the provision of the CC&Rs will prevail. Nothing contained herein shall be deemed to limit the applicability of the provisions of the CC&Rs.

The Board may from time to time in its sole discretion amend, repeal, or augment these Rules and Regulations as it deems appropriate, subject, of course, to the terms of the CC&Rs and applicable law. It is the responsibility of each Owner to obtain and adhere to the stipulations of the most recent copy of these Rules and Regulations. The Board retains the right to grant variances from these Rules and Regulations as determined appropriate in its sole discretion.

Any violation of these Rules and Regulations or of the CC&Rs may result in a fine being assessed against the Lot Owner. Arizona law provides the Lot Owner the opportunity to correct the violation and for a hearing with the Board of Directors prior to the Board assessing a fine.

The Association provides an insurance policy that covers only the common areas. Lot Owners are solely responsible for obtaining at their own expense insurance to cover their Lot, the improvements thereto and their personal property as well as personal liability insurance.

These Rules and Regulations are intended to benefit the common good and as a result thereof to maintain property values and encourage neighborly cooperation. It is the responsibility of each Lot Owner to be familiar with the CC&Rs and to inform all occupants, residents, tenants, guests and invitees of the requirements for living within Flagstaff Meadows development. All notices of violations of the governing documents of the Association will be addressed to the Lot Owners and any fines levied will be levied against the Lot Owner rather than against the tenant or occupant. You are reminded an Owner is responsible for the acts of their tenants and guests and for all other occupants of their residence. Lot Owners are therefore advised to make compliance with these Rules and Regulations and the other governing documents a requirement under the terms of their leases and rental agreements.
