# @Home on the Coast

THE MAGAZINE OF ARCHITECTURE / HOME & INTERIOR DESIGN / WEST COAST LIVING

Welcome to @ Home on the Coast Magazine.

The Sunshine Coast's first dedicated Architectural, Interior Design, and Lifestyle magazine. In this exciting bi-monthly publication we showcase some of the most beautiful homes on the West Coast. We feature some of the coast's most creative architects and home builders as well as some unique builder / owner designs ranging from small cottages to one of a kind estates and prefab energy efficient homes.

We also cover the latest trends in home decor, furnishings, interior design, as well as energy wise options for your home. In the spring and summer issues we feature landscape and gardening tips from some of the coast's top Landscape Designers and professional gardeners.

@ Home on the Coast Magazine offers advertisers a cost effective opportunity to reach out to our engaged reader base of residents and homeowners from Langdale to Powell River. For additional exposure in our new Whistler and North Shore editions please inquire.

We welcome your participation, input, and editorial submissions. @ Home on the Coast Magazine is the voice of your business on the Sunshine Coast.
