I. SUMMARY

This declaration identifies **Fusion Centers**—especially those located in the state of Florida—as a critical mechanism in the unlawful surveillance, profiling, and targeting of civilians, journalists, political opponents, and whistle blowers. Originally created for homeland security coordination, these centers have been repurposed into political intelligence weapons under the pretext of “public safety.”

In coordination with America First political actors, law enforcement, and private contractors, Fusion Centers have facilitated a parallel digital police state, violating core constitutional protections.

II. OFFENSES COMMITTED

- **Illegal Surveillance of Civilians and Journalists:**
 - Monitored and tracked political dissidents, journalists, whistle blowers, and community organizers without warrants or just cause.
 - Integrated AI-driven behavioral threat assessments based on social media use, financial transactions, and mobility data.
- **Collaboration With America First Shadow Network:**
 - Shared intelligence directly with Project 2025-aligned officials, local sheriffs, and privately hired digital enforcers.
 - Data feeds from telecom providers, Palantir systems, and school monitoring apps used to tag and track minors, educators, and activists.
- **Suppression of Lawful Assembly and Free Expression:**
 - Flagged protest movements and dissenting civic actions as “terrorist threats.”
 - Targeted journalists and outlets critical of Trump-aligned government policies.
