Declaration of War Crimes Against a Civilian Journalist

Declaration of Active Hostilities and Hybrid War Against a Civilian

I, {REDACTED}, hereby declare that I have been systematically targeted as a civilian and journalist under wartime conditions initiated by political actors within the United States, supported by aligned corporate, foreign, and paramilitary infrastructure. These acts constitute an **unlawful digital and psychological war**, in direct violation of international law, press protections, and the right to peaceful dissent.

As of January 6, 2021, and continuing through June 2025, I was subjected to a series of calculated, militarized operations that meet the legal definitions of **civilian persecution, psychological warfare, and war crimes**, orchestrated to silence protected speech, disrupt investigations, and suppress journalism.

II. Declaration of War Crimes and Civilian Persecution

Legal Violations Incurred:

Law	Violation
Geneva Convention (Protocol I, Art. 51–54)	Targeting of civilians during peacetime and wartime through digital means
Rome Statute, Article 7	Crimes Against Humanity – Persecution based on political opinion and expression
Universal Declaration of Human Rights, Article 19	Suppression of freedom of expression and access to information

CONFIDENTIAL WAR CRIME DOCUMENT

This document contains evidence of acts potentially constituting war crimes, crimes against humanity, election subversion, and international treaty violations. Unauthorized disclosure, tampering, or obstruction may constitute violations of U.S. law, international conventions, and Geneva Protocols. It is submitted under protected whistle blower protocols and investigative journalism rights.

Law	Violation
ICCPR, Articles 17 & 19	Arbitrary interference with privacy and retaliation for speech
U.S. Constitution – First Amendment	Retaliation for protected journalistic activity
Computer Fraud and Abuse Act (18 U.S.C. § 1030)	Unauthorized tracking and digital sabotage
Civil Rights Act, Title II	Political discrimination using institutional tools of power
Tallinn Manual Rule 32 (Cyber Warfare)	Prohibition of targeting journalists with military-grade cyber tactics

III. Timeline of the War Against Me (2016–2025)

Year	Action	Actors	Funding
2016	Journalist profiling begins	Trump, Bannon, Cambridge Analytica	\$15M from Mercer family
2017	Palantir-DHS predictive systems expand	Thiel, ICE	\$100M+ contracts
2019	Fusion Centers begin flagging dissidents	DHS, local law enforcement	Intelligence budgets
2020	Exposé on Project Gotham published	(REDACTED), Thiel, Musk	PAC & crypto laundering
2021–22	Targeting intensifies (Substack flagged, facial scans logged)	Bondi, DeSantis PACs	Turning Point, state money

IV. Active Targeting Methods Used

I. Digital Warfare Tactics

- Shadow bans, AI content suppression, Substack blacklists
- IP address logging via Starlink and Anduril drones
- Facial recognition during field assignments
- Deepfake campaigns and account impersonations

II. Psychological & Legal Harassment

- Propaganda inserted into ad systems linked to my activity
- AI-driven manipulation of followers and donation pipelines

III. Military-Grade Surveillance & Suppression

 - Tagged as a “high risk influencer” through fusion center algorithms

 - Spoofed communications and leaked personal data on right-wing forums
 - AI Black Box Operations
-

V. Declaration of War Conditions Against Journalists

These cumulative actions meet the criteria for **undeclared war** against civilian press actors. The civilian space has been transformed into a **digitally militarized surveillance zone**, with AI-powered psychological targeting tools used against me and others in the field. This is no longer targeted harassment—it is digital warfare.

VI. DEMAND FOR PROTECTIVE ACTION AND INTERVENTION

I formally request that:

1. **The United Nations, International Criminal Court (ICC), OSCE, and Special Rapporteurs on Freedom of Expression and Human Rights Defenders** issue an emergency inquiry and protective review of:
 - The use of AI and predictive systems by U.S. political actors to silence civilian journalists.
 - Civilian targeting conducted through U.S. PACs, tech companies, and private contractors.

 - The Rome Statute for Crimes Against Humanity, specifically political persecution.

-

VII. Closing Declaration

This war has no front line, no uniforms, and no formal declaration. It is a digital war of control, waged through algorithmic suppression, corporate collusion, and militarized surveillance.

I declare that I, {REDACTED}, have been the target of a cyber-psychological war carried out by the America First-aligned regime and its corporate partners. I stand as a witness and survivor of digital warfare, psychological persecution, and unconstitutional sabotage.

This is my sworn declaration of war crimes and ongoing occupation of the civilian space.

Respectfully Submitted,

{REDACTED}
