

### III. STRATEGIC OBJECTIVES

- Destabilize public education as a democratic pillar.
  - Create a fear-based civic environment that deters free expression.
  - Support legislative and judicial takeovers through intimidation and engineered crises.
  - Install education operatives who reframe curriculum to reflect nationalist, exclusionary, and factually inaccurate ideology.
- 

### IV. LEGAL AND HUMAN RIGHTS VIOLATIONS

The actions of Moms for Liberty align with violations under U.S. and international law:

- 18 U.S.C. § 241 – Conspiracy Against Rights
  - 18 U.S.C. § 245 – Interference with Federally Protected Activities
  - Rome Statute Article 7 – Psychological Persecution and Suppression of Minority Civil Rights
  - Rome Statute Article 8 – Cultural Targeting and War Against Educational Institutions
- 

### V. CONCLUSION

Moms for Liberty is hereby declared a **domestic extremist organization operating in service of authoritarian subversion**. Its coordination with political operatives, suppression of dissent, and weaponization of parenthood narratives against civic institutions played a foundational role in the cultural and legal transformation that preceded the 2025 constitutional collapse.

This declaration is submitted in coordination with other aligned filings, including declarations on Turning Point USA, the America First PAC, and judicial suppression operations.

Respectfully Submitted,  
Bonnie Kurowski
