Pumpkin Dip

“This pumpkin dip is easy and incredibly creamy, thanks to canned pumpkin, cream cheese, and whipped cream. It makes the perfect snack to fuel any fall get-together, from a tailgate to a night of scary movies.”

Total: 10 mins. Yields: 2 cups

INGREDIENTS:

- 4 oz. cream cheese
- ½ cup pumpkin puree
- 1 cup powdered sugar
- 1 tsp. pumpkin pie spice
- ½ tsp. vanilla extract
- ½ cup heavy whipping cream
- Graham crackers, to serve
- Pretzels, to serve
- Sliced apple, to serve
- Sliced pear, to serve

DIRECTIONS:

1. In the bowl of an electric mixer fitted with a whisk attachment, beat the cream cheese, pumpkin puree, powdered sugar, pumpkin pie spice, and vanilla on medium speed until smooth and creamy, 2 to 3 minutes. Scrape down the bottom and sides of the bowl with a rubber spatula.
2. With the mixer on medium-low speed, gradually pour in the heavy cream. Increase the speed to medium-high and beat until the mixture is light and fluffy, about 30 seconds.
3. Serve the pumpkin dip with graham crackers, pretzels, apple slices, pear slices, or by the spoonful.
