

THIRD-COLOR DOORS!

Customers can now choose a 3rd color, that will be uniquely applied to their wooden barn door.

- Paint and Urethane options
- Urethane buildings cannot have paint doors
- Door trim will match the building's trim color
- Rustic Cedar, Driftwood, and Chestnut will be applied to the entire door, trim included
- Customers can only get ONE door color, but they can have as many wooden barn doors with that color as the configurator will allow
- Standard Pricing: \$150 per door item
 - Double doors count as 1 item
- Custom door colors allowed
 - Delivery time may change, depending on shipping time for custom color paint/urethane
 - Cost is determined on a case-by-case basis
