VOLUNTEERING

*It is important to Volunteer
Volunteering helps many people
When you volunteer you are helping
There is many things you can do to help in your community
You can plant trees
Pick up trash
Foster for an animal shelter
When you volunteer to help you are expecting nothing back
Volunteering is a good way to help
So go and do something kind in your community*

“Volunteering”

It's helpful and fun
It's nice and kind
It's something that should be done
It's something that people keep in there mind
It could be big
It could be small
Like helping someone get a gig
Or helping someone up when they fall
Stopping a fight or a brawl
Now go out there and give it your all!

My Poetry

It's a great opportunity
If you volunteer in your community.
It will help your self-esteem
And also make your neighborhood clean.

Volunteering is a great way to go
You can help people that are close to home.
Helping out the community
Will make a great unity.

If you participate it will be an awesome delight
You can be the star that shines so bright.

Josephine G. - 5th Grade

“A Helping Hand”

*The sun shines so we can see, the trees filter the air so we can breathe,
The clouds rain so we can drink,
But why do we smog up the air blocking the sun, cut down the trees and
Not plant them back, and pollute
The waters, but you can help by stopping this mess, by volunteering to help,
You can walk to school instead of
driving, turn off the lights great now less things are dieing ,and pick up trash
On the beach. So let's volunteer and
sing and cheer.*

You have an opportunity to help your community.

Do your very best to help others who are stressed.

You can find a solution for pollution.

Always be helpful and maybe you can be successful.

Ready to volunteer then I
appear they give me
an opportunity to help
my community to clean
it up and help people to and
make it a unity in Lakewood.

Poem

I think it's important to volunteer in my community because it helps people who are in need. I've really got the speed for people in danger so that way when I leave I can get a good feed. I think it's a good opportunity to help your Lakewood community.

I will never fear
to volunteer.
Whether it is good or bad,
I hope to share
to be fair.
Everywhere I go I won't have to roam
far from home
because I know that together
everything is better.

Poem

Never fear to volunteer
It can wipe the tears
And maybe meet some peers
You can find an opportunity
To volunteer in your community
It can boost your self-esteem
It can improve something
Life is like a stream
Its fast, so the best you can do is one thing

Dear Lakewood,

When we work together we make fun games, companies, and other enjoyable activities. We make so many things. The lord has blessed us people in lakewood because, not all other cities have the thing we made, created, and even imagine wonderful games and other activities that we, lake wood can make a wonder land of peace, joy, and happiness for all in lakewood and then spread it to other cities in california!

Poetry

Don't Be sheer
Instead volunteer
If you volunteer
You could improve and
Get a better career
It is important to volunteer because
You could feed someone in need
You could clean the leaves around the tree
You could throw out the trash daily
If you want to volunteer
You will bring unity
to your community
So if you have the opportunity,
Go volunteer in your community!

I volunteer at Lakewood Mall
During the fall
So I can help all
I may not be tall
But I can do it all

Poetry

In Lakewood I'll have the opportunity
to help make our community
live in unity.

As a volunteer
I will get to hear
about awesome things to do to live in unity.

Inspiring others to do good is an opportunity I'll gladly take.

Anything I face will turn small
because in this community we can do it all.

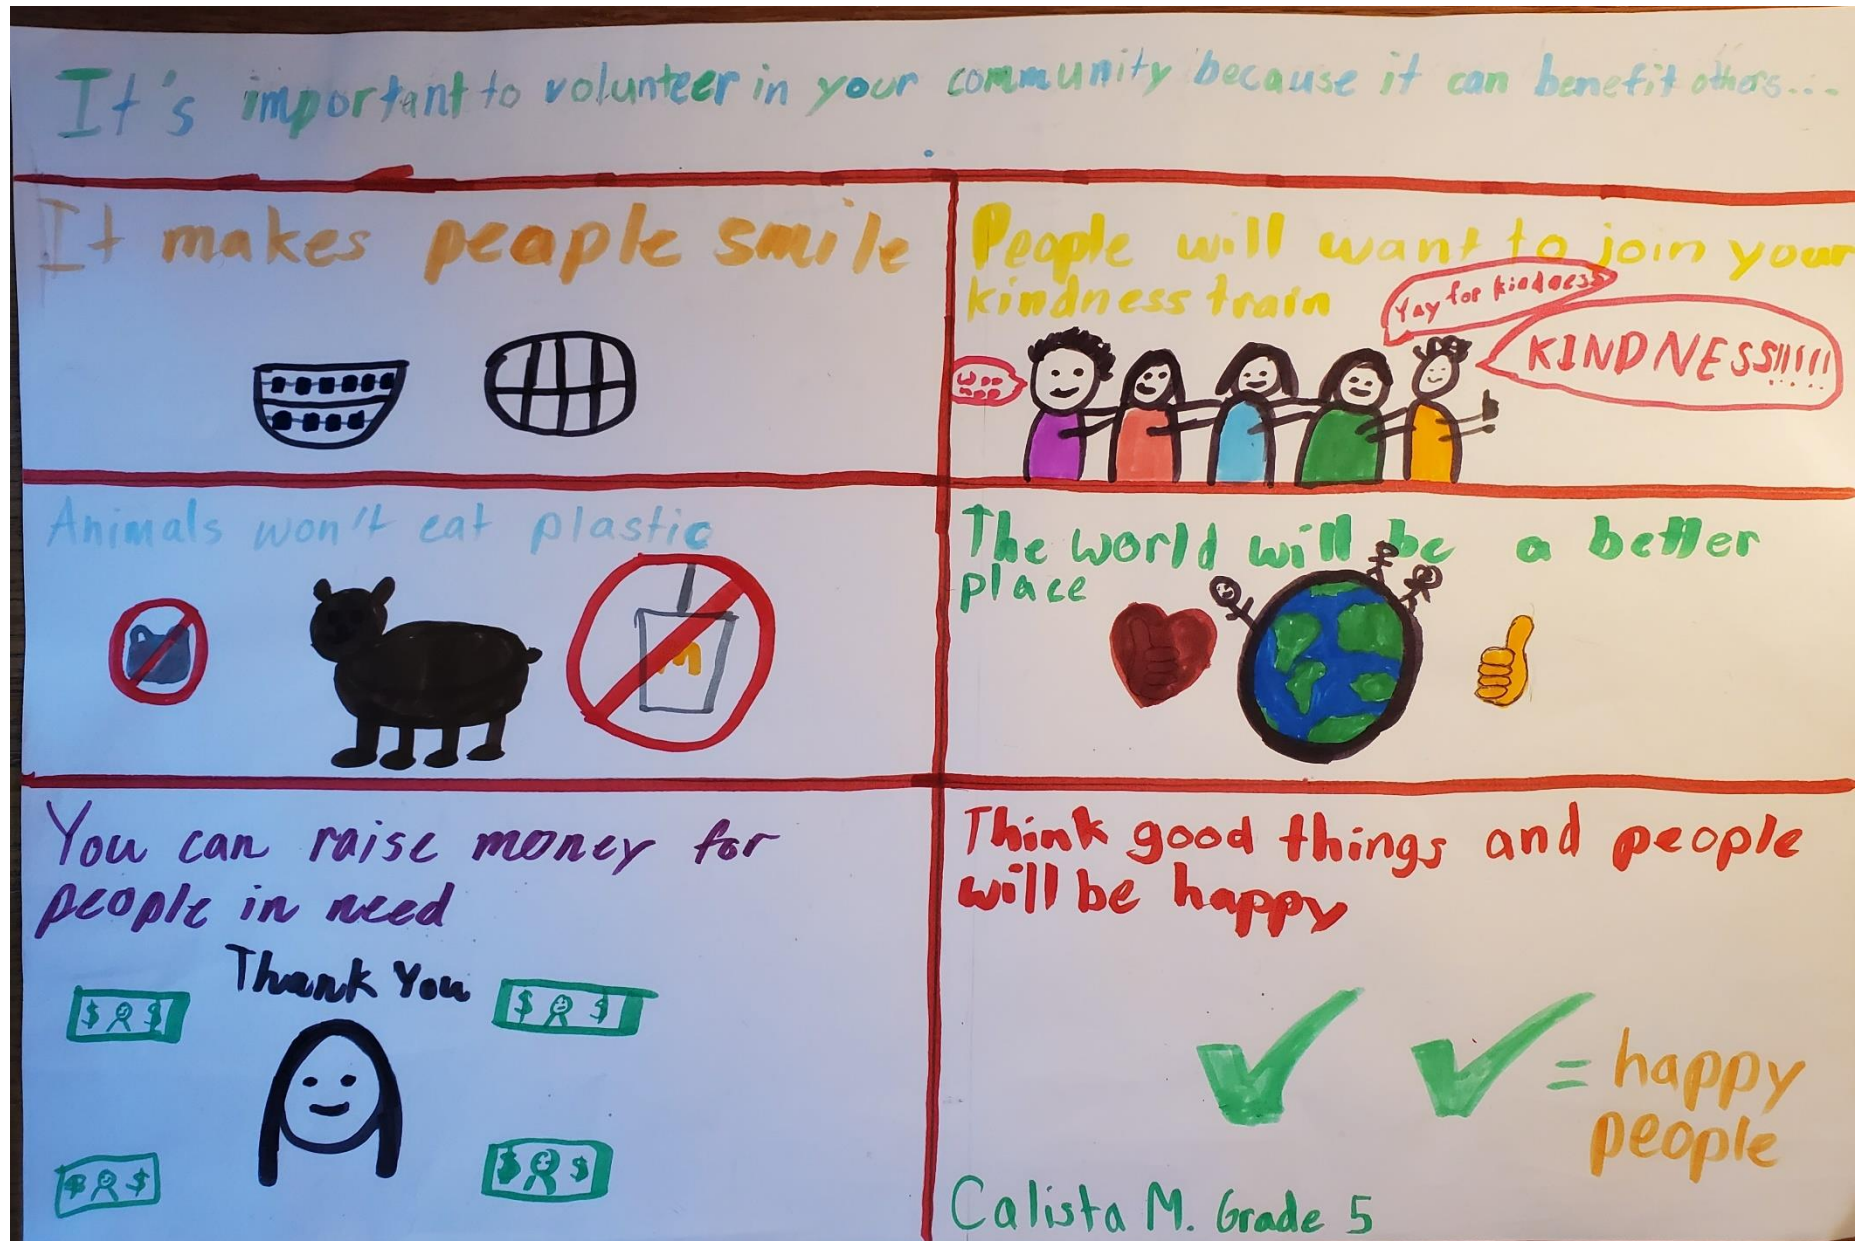

If we believe
we can achieve
a great community
we all need.
