

# POPPY

qualified therapy dog

JULY 2023

## ABOUT POPPY

Meet Poppy, a remarkable 4-year-old Groodle (Golden Retriever x Poodle) with a heart full of compassion and a paw ready to make a difference. Poppy is no ordinary dog; she has been specially trained as a therapy dog to provide comfort, support and love to those in need. With her gentle nature, wagging tail, and understanding eyes, Poppy has touched the lives of many, bringing joy and healing wherever she goes. Whether it's in hospitals, police stations, dance schools, office environments, training establishments or schools, Poppy's presence brings a sense of calm and happiness, making her an invaluable member of therapy dog community.

## QUALIFICATIONS

Poppy and Rob have successfully completed the K9 Supports Therapy and Dog Handler Course, guided by the expertise of Tessa Stow. The team have gained valuable skills and insights into providing therapy dog services. This comprehensive training equips Poppy and Rob with the necessary tools to effectively support individuals in need, promoting emotional well-being and overall healing. Poppy and Rob are ready to make a meaningful difference in the lives of those they encounter, spreading comfort and joy as a therapy team.

## VACCINATIONS

Poppy's well-being and health are top priorities, she has received full vaccination, regular worming and thorough vet check-ups. Additionally, her temperament has been assessed and confirmed to be suitable for therapy work. Poppy is free from zoonotic diseases, ensuring the safety and well-being of both Poppy and the individuals she interacts with. These measures reflect responsible pet ownership and demonstrate Poppy's readiness to provide therapy support in a safe and healthy manner.
