EMO PROM

Emo MySpace Prom is an event like no other that brings you back to the era of teenage angst, sadness and eyeliner while breaking all the rules.

From a live band performing all your favorite emo anthems, to video DJ's taking over the venue and showcasing the best music from your old CD collection. We love My Chemical Romance, Fall Out Boy, Paramore, AFI, Panic! At The Disco, Jimmy Eat World, Taking Back Sunday, and more...
