HYGGE Dining

It's all about COMFORT!

NORWEGIAN BRAND

Hygge Dining 2000
Design 2

The dining area is no longer just a place to eat; it's a space for conversation, relaxation, and enjoyment.

As the dining area takes center stage in modern homes, our innovative chairs have been meticulously crafted to adapt to the dynamic needs of tomorrow's dining space.

Our **HYGGE Dining** chairs and counter stools seamlessly blend style, comfort, and functionality, making them the obvious choice for any dining environment.

Hygge 9000

Hygge Dining is available in many sizes and comfort options. All models can be made with high or low backrest and with or without arms.

Our proprietary know-how, expertise, and technology, which have taken decades to develop, perfect, and refine, uniquely equip H2 Seating to create comfortable and functional dining chairs.

The combination of tubular steel frames, sinuous springs, and Cold-Cure Molded foam, along with our many proprietary functionalities, positions H2 Seating as a leader in compact, comfortable seating.

I am deeply inspired by my family's enduring commitment to delivering exceptional furniture. Since 1941, their dedication to this craft has paved the way for H2 Seating to become synonymous with innovation and unparalleled comfort in seating solutions.

Office Chairs

Cologne Executive Office Chair

Constructed with the same 3.5" cold cured foam and patented lumbar support that we build all seating with, the H2 Executive Home Office Chairs will bring luxury seating to anyone's office.

Below is the star base with the hydraulic lever to adjust the height of the chair. There is also an "easy to use" knob to adjust the recline tension to one's preference.

Cologne Desk Chair

Hygge Home Office 50

- Base 50 with castors and gas lift
- Black and Polished aluminium finish
- Available with all Hygge seat options:
Low Back, Low Back w/arms,
