Dear Residents:

The North Syracuse Police Departments 2018 annual report reflects only a sliver of the outstanding work accomplished by the dedicated members of the of the Village of North Syracuse Police Department.

In 2018, the men and women of the North Syracuse Police Department continued their mission of community-based and problem-oriented policing. We are proud of our accomplishments in 2018 and look forward an even more productive 2019.

Police work continues to be a noble profession. It is a lifelong mission for many of our staff. Our agency strives to make a positive difference in the quality of life of our community, and we have all agreed to do this by practicing the core tenants of Professionalism, Respect, Accountability, Integrity and Communication. The members of the North Syracuse Police Department work in concert with many aspects of our community. We are effective because of the relationships we build with our citizens and business owners. The craft of policing is complex and no one person can know everything. Each officer brings skills and knowledge that make us better together than we are alone. I know that if we facilitate a participative organization, the end "product" that we offer you, our "customer", is the best that it can be! We are committed to saving lives, preventing crimes, enforcing laws and solving problems. We invite people who live, work, go to school and partake in our recreational activities to assist us in achieving our goals.

Sincerely,

Steve Rotunno
Chief of Police
