RE: Scholarship Application

The El Paso Alumnae Chapter (EPAC) of Delta Sigma Theta Sorority, Incorporated appreciates your interest in becoming a 2023 scholarship recipient. Building upon the sorority's foundation of scholastic achievements, the quest for excellence in education remains the cornerstone of our agenda and outreach. Since the chartering of this chapter in 1972, members provide continuous services and promote numerous educational projects within the community.

As we continue this commitment to serve others, members of EPAC will offer scholarships to graduating seniors who reside in the El Paso area. Students must plan to attend a technical college, junior college, or university during the 2023- 2024 academic school year. Students may apply for **one (1)** of the five scholarships listed. The information required to complete this application is enclosed.

All scholarships will be paid directly to the recipient upon an official letter of enrollment from the college or university verifying full time enrollment (12 or more semester hours). Letter of enrollment can be emailed to the scholarship chair at epacscholarshipcommittee@gmail.com.

Application link can be accessed [HERE](#).

All applications must be time stamped by 11:59 PM MST on March 20, 2023.

If you have questions about the application or this process, you may contact either Diane Williams or Monika L. Hall at epacscholarshipcommittee@gmail.com
Again, thank you for your interest and we look forward to receiving your application!

Sincerely,

Shavena Jamierson
