Food Insecurity – Where We're at Now

Forest County has had changes since last fall. The food pantry that has been located in the Newcap Building in Crandon closed February 19. The majority of the food provided was received through the U.S. Department of Agriculture Emergency Food Assistance Program (TEFAP). The site is now located at (location), Laona.

This move leaves a gap in the Crandon community for a TEFAP distribution site. Basic requirements are for a charitable organization with tax-exempt 501(c)(3) status to have a site where food can be safely stored and inventory correctly managed. If your organization is interested in becoming a site, please reach out to

If you would like more information, please contact Forest County Health Department at 715-478-3371 or visit us at <https://forestcountypublichealth.org/>
