How to use this guide:

The Forest County Local Food Resource Guide was created to better connect Forest County residents with available food and related programming. This is a project from Forest County CAN! to increase nutrition security in our communities.

The guide features information on programs and resources related to emergency food assistance, food for kids & parents, and food for seniors. Basic information about programs and times are included but readers are encouraged to use the provided organization contact information to learn more.

Please send any corrections, additions, or suggestions to
Melissa.K@co.forest.wi.us
