

# Toddler Time

## at Preschool Express

Every 1<sup>st</sup> and 3<sup>rd</sup> Friday  
of the month from

9:15 - 10:15

Toddler Time will take place at Preschool Express, located at Millersville Community Church on Frederick Street. You may enter through the preschool doors and head down the stairs to our preschool hallway.

We will begin holding Toddler Time in one of our preschool classrooms, which will allow families to experience our preschool's atmosphere.

Adults are required to remain with their child throughout the program and are responsible for their child's safety.

This is a free program that is open to everyone! Equipment, toys, and a fun environment are provided to promote social and gross motor development. We hope to see you there!
