

FALL 2022

COMMUNITY HEALTH WORKER CERTIFICATE

This is a FREE, online, non-credit certificate program. The certificate should be completed in one academic semester.

A Community Health Worker (CHW) is a trusted frontline worker that helps the community they are serving access social and medical services as a means to help improve their quality of life. There is a demand for CHW's. In California, CHW's can earn from \$13.47 to \$34.03, with an average of \$19.20 an hour, according to Indeed.

For more information on the certificate of completion, please contact Stephanie Meza (Adult Education Counselor) at mezabs@lavc.edu or 818-778-5830
