Kollab Youth Workforce Development Platform

ADMIN & MENTOR ASSESSMENT EXCHANGE

The Kollab Youth Workforce Development Program was created for middle and high school students. Kollab program helps them explore career opportunities in business, STEM and other emerging 21st century careers that are high growth and high wage jobs. Kollab Youth receive mentorship from industry experts and earn resume-worthy work experience through paid apprenticeships and internships connecting them with the future workforce and preparing them to compete in tomorrow's workplace.

Mentor Engagement Page

You have been assigned the below mentees. Click on a Mentee for details and to track your progress. These sessions are to gain feedback from the youth regarding:

Highlights of sessions (what were they)
Would they like any follow up information/deeper dive on particular session?
Provide support/guidance/next steps let us know like entry level jobs, internships/externships
Remind them to post minimum two things they learned on social media that their peers should know
Any questions?
