

IDS PERFORMANCE FUEL
INJECTION

Injector Service Order

711 N Princeton Ave. Villa Park IL 60181

(630) 696-0291

Please package injectors in Zip-Lock Bags, make sure to allow excessive gasoline to drain from injectors prior to placing them in bags before packing into shipping box.

For us to properly test the injectors, mark each injector with the cylinder number it came out of, injectors will be returned with that number etched into the side of the injector due to cleaning process will remove any ink or paint used to mark injectors.

Leave all o-rings, seals, pintle caps and spacers on injectors so we can make sure that the new ones match your originals.

Please include with your shipment this form filled out with as much detail as possible.

Ship injectors to: IDS Performance Fuel Injection 711 N. Princeton Ave. Villa Park IL. 60181
