Deposit of \$250 was given on ____/____/____

The remaining balance of \$1,000 is due at the time of puppies birth.

____ I understand that I am purchasing this stud fee of \$1,250

____ I understand that I am responsible for collection & shipping fees for collection if not doing natural.

____ I am aware that if I give false genetic testing information, Southern Stryker Gun Dogs will not sign off the breeding.

____ I am aware that if my female were to carry any Dilute genes, Southern Stryker Gun Dogs will not sign off on the breeding.

____ I am aware that my female must be over the age of 2 years ago with all health testing and DILUTE clear to be able to use the semen.

____ If breeding is done naturally, a negative Brucellosis test must be provided within 10 days of breeding.

The deposit of \$250 is NON REFUNDABLE.

If said female does not take on breeding, deposit will be transferred to a 2nd breeding.

If a singleton puppy is produced, total stud fee will be dropped down to \$500.

If 2-3 puppies are produced, total stud fee will be dropped down to \$750.
