

2020 TWE Ministry Evaluation Survey

At The Water's Edge, our mission is to bring glory to God by learning to love, live, and lead like Jesus. God's desire and design for His children, is that we would become more and more like His Son Jesus Christ. In other words, that each of us would be growing in: love for God and love for people (Love), holiness and fullness of the Spirit (Live), and ability to lead someone to Christ and disciple someone in Christ (Lead). We believe that if, by God's grace, we are growing in these things as a church, not only will God be glorified, but our world will be changed as well.

At the Water's Edge, we also believe that the church plays a critical role in the growth of its people. Therefore, we want to do all that we can to play that role well. This anonymous survey is an effort in that direction. With an eye on your personal growth in likeness to Jesus Christ over this past year, we would love for you to fill out and return this survey to us by Thursday, December 31st. We will then be evaluating these surveys and prayerfully considering making appropriate changes to serve you better in the new year.
