2. Nimrod the Cushite (Ethiopian) founded original Babylon or Ancient Mesopotamia (Assyria) including Sumer, Akkad, Ninevah, etc… Early Period Assyria circa 2600-2000 BC (Akkadian/Sumerian dominance), Old Assyrian Empire (circa 2000 BC to 1450 BC Amorite/Hittite dominance), Middle Assyrian Empire (circa 1450 to 1000 BC) & Neo Assyrian Empire (Circa 900 to 627 BC). The Chaldeans took over Assyria/Babylon after this. Out of Nimrod's Babylon came all false worship. Subsequently the Ancient Egyptians and others would adopt this false worship into their cultures. Later on the Gentile dynasties would also incorporate this false worship into their cultures. Ethiopia is the mother of Civilization.
3. Easton's Bible Dictionary "Ham" warm, hot, and hence the south; also an Egyptian word meaning "black", the youngest son of Noah (Genesis 5:32; comp Genesis 9:22 Genesis 9:24). The curse pronounced by Noah against Ham, properly against Canaan his fourth son, was accomplished when the Jews subsequently exterminated the Canaanites. One of the most important facts recorded in Genesis 10 is the foundation of the earliest monarchy in Babylonia by Nimrod the grandson of Ham (6,8,10). The primitive Babylonian empire was thus Hamitic, and of a cognate race with the primitive inhabitants of Arabia and of Ethiopia. (See ACCAD .) The race of Ham were the most energetic of all the descendants of Noah in the early times of the post-diluvian world.
   - Genesis 10:6-12
   - Genesis 11:1-9 (They wanted to build a tower up to heaven. Similar to Satan wanting to ascend to heaven. They disobeyed God's command to be fruitful and populate the whole earth. They wanted to remain in one place. God created the

languages. If he wanted everyone to know Hebrew he would not have created all the different languages. Hebrew did not even exist at this time.)

- Judges 3:8 (Twice evil Cushite. Cushites still ruling Mesopotamia.)
- Micah 5:6 (Assyria land of Nimrod)
- Nahum 3:1-9_18 (Verse 4 is key.- Semiramis named her son Damu (from the Sumerian "dam," or blood), which in the later Babylonian language became Dammuzi, in Hebrew Tammuz, Osiris or Horus in Egypt, and in Greek Adonis. From Nimrod's family derived the first trinity and mother/child worship I.E. today Catholicism with the Virgin Mary.) See PDF files

   - Daniel 7:1-8_15-19_21-25 (Four winds are four gentile empires.10 horns are the 10 attempts at reviving the Roman Empire. Times and Laws changed are what Rome and her Catholic church have changed. For example our current Gregorian Calendar named after and created by Pope Gregory XIII to regulate easter. It replaced the Julian calendar created by Roman Emperor Julius Caesar. They also moved New Year from Spring to Winter and changed the Sabbath to Sunday. Constantine created the earliest Sunday law known to history in AD 321. It said this: On the venerable Day of the sun let the magistrates and people residing in cities rest, and let all workshops be closed. In the country, however, persons engaged in agriculture may freely and lawfully continue their pursuits: because it often happens that another Day is not so suitable for grain sowing or for vine planting: lest by neglecting the proper moment for such operations the bounty of heaven should be lost. According Chamber's Encyclopedia: Unquestionably the first law, either ecclesiastical or civil, by which the Sabbatical observance of that Day is known to have been ordained, is the edict of Constantine, 321 A.D. Following this initial legislation, both emperors and Popes in succeeding centuries added other laws to strengthen Sunday observance. What began as a pagan ordinance ended as a Christian regulation. Soon after

the Edict of Constantine followed the Catholic Church Council of Laodicea (circa 364 AD): Christians shall not Judaize and be idle on Saturday (Sabbath), but shall work on that Day: but the Lord's Day, they shall especially honour; and as being Christians, shall, if possible, do no work on that day. If however, they are found Judaizing, they shall be shut out from Christ) Refer to PDF files

- Daniel 3:1-8 (Precursor to mark of Beast. Daniel and the three refused the mark. Height = threescore cubits = 60, Breath = Six cubits, and Six musical instruments (Three sixes) or 666. BACKGROUND ON POPE: his title is Vicarius Filii Dei (Representative or Substitute for the Son of God). This title in of itself is blasphemous because he is calling himself Jesus Christ's replacement on earth. Nowhere in scripture is he or anyone else given this authority. When you add the Roman Numerals up for Vicarius Filii Dei it adds up to 666. See Slide
